Salvus Bologna

The Salvus Bologna has been successfully tested against burglary. ECB-S, the German certifying body, has rewarded the Bologna with a certificate according to EN 1143-1 Grade I. The safe has also undergone a strict fire test and has received a LFS60P certificate (ECB-S) according to EN 15659. This means that the temperature stays well below 170 degrees Celcius for a period of 60 minutes, so that your valuable documents stay intact.

The Salvus Bologna offers you THE solution in ONE safe with its certified protection against burglary and fire, saving money and space.

- Shelf/shelves included as standard
- Double bitted security key lock or electronic lock
- ECB-S certified burglary resistance (EN 1143-1)
- Cash rating: £ 10,000 (Grade I)
- 60 minutes ECB-S certified fire resistance (EN 15659 LFS60P)
- Integrated anti-drill and cutting torch protection
- Colour: anthracite
